# How do I get my license activated after I have paid?

To activate your license please send us the Machine ID:

1. Start your platform if not already running and click on the Help Menu.
2. This will open up the submenu under Help. Move your cursor down and click on About.
3. This will bring up the About NinjaTrader window. Your Machine ID is listed here. Make sure that you copy your Machine ID and not the License ID.

4. Send the Machine ID to our email trader@orderflows.com, we will activate the license immediately.
